Please list your graduate programs of interest (in order of interest) and describe why you are interested in Program 1. Provide as much information as possible. It is acceptable if you do not have specific programs
identified at this time, but you should at least indicate degree and field of study. At least one entry is required for the Pre-Application; five will be required for the Campus Application.

Answer using the format [degree; field of study; institution]. For example: "PhD, History, University of Chicago".

21. **Program 2**

22. **Program 3**

23. **Program 4**

24. **Program 5**

25. **Why are you interested in Program 1?** *
   Please be specific, but limit your response to 100 words.

Please list experiences you have had with research, creative endeavors, or other scholarship in your area of interest. You can include publications, presentations, proposed thesis work, major course papers, and similar items here.

Please use the following format for each item: [title, venue (class, thesis, journal, conference, etc.), brief description].

26. **Relevant Experience** *

**Beinecke Scholarship Pre-Application - Page 5**
Please list your potential recommenders. Three are required, but you can list more than three if you have multiple options. Letters should be "from faculty members that assess [your] intellectual curiosity, character and potential for advanced graduate study." Note that these letters must come from faculty members, ideally in your proposed field of graduate study (or a closely related field), since they can give the most authoritative evaluation of your potential to become an outstanding scholar. You do not have to contact your recommenders at this point.

Please use the following format: [name; title; institution/department; email; brief description of why you would ask this person].

27. **Recommender 1** *

28. **Recommender 2** *

29. **Recommender 3** *

30. **Recommender 4**
